GRAPPLE BUCKETS

Manufacturer of
Earthmoving Attachments for:

Skid Steer Loaders
Backhoes
Excavators

07 3376 3177

- Our newly designed Norm Grapple Bucket is an industrial strength Grapple Bucket
- Ideal for demolition work as well as being suited to recycling work and property clearing
- The hydraulic operated grapples are a key feature
- Flat floor and sieve floor options available
- The grapples are an extremely high-strength design, built to take the toughest of punishment
- They incorporate a low maintenance greaseable pivot system and rear-mounted cylinders for minimum exposure to damage
